

Monetize Existing Inventory with Rental Solutions

3X

growth in the on-demand economy since 2016.*

Powered by intelligent software, On-Demand Rental enables you to generate revenue streams and establish touch points to earn loyalty.

- ✓ **Deliver a digital, on-demand rental experience**
Create an exceptional experience for your customers that simplifies car rental with digital in-app bookings and flexible terms.
- ✓ **Manage your assets and on-demand program efficiently**
Optimize loaner usage or employ pre-owned vehicles to generate revenue streams through a turnkey, end-to-end platform.
- ✓ **Drive increased customer engagement & build loyalty**
Offer credits to incentivize sales, package within a VIP offering, leverage for extended test drives, or use to prospect, engage and keep customers in house.
