

Capitalize on a Convenient Alternative to Traditional Ownership

70%

of consumers are interested
in automotive subscription.*

Powered by intelligent software, Single Vehicle Subscription enables you to deliver a convenient option to traditional buying and leasing.

- ✓ **An opportunity to reach new prospects**
Open your store to customers who only want access instead of traditional ownership.
- ✓ **More revenue streams to bolster your bottom line**
Build a new, recurring revenue stream to grow monthly margins, increase profits and better utilize your assets.
- ✓ **Recurring relationships with your customers**
Give customers a reason to stay in constant contact with you.
